ALENDA

G O L F

The Alenda Golf course was designed and built by Roland Favrat with the maximum respect for the original lay of the land and the estate's natural vegetation, avoiding any aggressive movements of earth during the construction process.

The golf course was completed in October 1999. It covers 49 hectares of land, 18 holes, par 72 and 6,257 metres in length, as well as an excellent practice area.
